to 02<sup>nd</sup> of October 2026**

## FROM THE CANTABRIAN TO THE MEDITERRANEAN

Organized by IPA Catalunya, the 8<sup>th</sup> Transpirenaica IPA route is not a race nor a rally. It's a journey through the beautiful French and Spanish Pyrenees, alternating between the two countries during the entire route.

For those who enjoy riding the bike and long tour journeys, it's a hard path, full of winding roads and high mountains, featuring landscapes that can only be enjoyed when riding a bike in different ways.

This route combines planning, adventure and improvisation, making it a challenge.

## RECOMMENDATION

Due to the height, location and topography of these ports through which the route is developed, there is the option that one of them can be closed.

Therefore, the detailed study of a possible alternative route is recommended. It is very easy and can save time if you have studied the ground.

## IMPORTANT

You can display the full path and get a complete and detailed road book through Google Maps copying and pasting the required points and mountain pass by the same numerical order.

To those who want, the organization will provide the route track for TomTom and Garmin navigators, must provide data cable.
