MORIA RUN is coming back for its 6th edition!

Get ready for a unique running experience in the beautiful countryside of Lesvos Island, combining sport, nature, history and community spirit!

MORIA RUN is not only for athletes — it is a celebration for everyone! Families, children, walkers, runners and nature lovers are all welcome to take part and enjoy an unforgettable summer evening in the village of Moria.

Participants will run through routes surrounded by the natural beauty of Lesvos, while the longest route passes through the olive grove of Moria and beneath the impressive Roman Aqueduct of the area, one of the island's most important historical landmarks.

This year's event is also part of the anniversary activities celebrating 40 years of IPA Lesvos, making the occasion even more special!

With schools closing and summer just beginning, MORIA RUN is the perfect opportunity to come together, exercise, smile and celebrate through sport!
